

Fremd Jazz Lab Band and Jazz Ensemble

Audition Results

Thank you very much to all students who auditioned for the Jazz Lab Band or Jazz Ensemble. We certainly appreciate your interest, time, and talents! Unfortunately all students were not able to be selected due to experience, performance level, preparation, and/or instrumentation of a specific section.

Please consider scheduling a time over the next week to meet with Mr. Teichert and Mr. Moore to discuss your audition. We want to see all students achieve their goals with the Fremd Jazz Bands. We strongly feel that this meeting and feedback will help you further understand the selection process and your current performance level. The first rehearsal for the Jazz Lab Band will be Monday November 11th (3-5 pm), and the first rehearsal for the Jazz Ensemble will be Tuesday November 12th (3-5 pm).
